# Financing Your Education

## **APPROVED INSTITUTION**

Tuition Financing Available

TFC Credit Corporation has been providing students with tuition financing since 1970. We have helped over 250,000 students enroll and graduate from schools that are dedicated to developing individuals who are serious about their careers and future success.

With full service offices in both New York and San Francisco, TFC Credit Corporation is a leader in student tuition financing. Our affiliation with all of the major national, regional and state education associations has given us a special knowledge of those schools and careers that will most likely lead to success.

As a major national financial organization, TFC Credit Corporation can help establish or strengthen your credit reputation and personal credit rating. We will work to help secure any type of credit you may need in the future, such as auto loans, credit cards, personal loans and mortgages.
